

COMB SAGE TEA IN FADED OR GRAY HAIR "DRY" AMENDMENT WILL PASS SENATE, SPONSORS ASSERT

Mixed with Sulphur it darkens so naturally nobody can tell.

Grandmother kept her hair beautiful, full, darkened, glossy and attractive with a dozen of Sage Tea and Sulphur. Whenever her hair took on that faded or streaked appearance, this simple mixture was applied with wonderful effect. By adding at my drug store for "Wetzel's Sage and Sulphur Compound," you will get a large bottle of this and other recipes improved by the addition of other ingredients, all ready to use, the most no cents. This simple mixture can be prepared easily to taste, its natural color and beauty to the hair.

A small amount of antiseptic dropper, everybody uses Wetzel's Sage and Sulphur Compound now because it darkens so naturally and really nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Advt.

Claim 70 Votes for Resolution to Change Constitution of United States.

WASHINGTON, July 31.—A poll of the Senate to-day by Senators Shepard and Curtis shows seventy votes for the proposed resolution, which will be voted on to-morrow, providing for a constitutional amendment to "America, dry." Sixty-four votes are all that are necessary to adopt the resolution.

A number of senators will be absent when the roll is called for final adoption, but the Prohibitionists will see to it that all their forces are present. The antisaloon lobbyists are training their guns on every doubtful man.

The principal fight over the Prohibition resolution will be the proposition to amend it so as to demand the renunciation of the amendment after six years.

Both leaders on both sides are preparing for a big fight if the Senate passes the amendment. Representative Webb, leading Democratic Prohibitionist, said the amendment will carry in the House. The District of Columbia dry bill failed by a vote of two-thirds majority, but new members have arrived since that and their votes are dry, Webb said.

Representatives Longworth, Ohio, and Meeker, Missouri, predicted defeat of the amendment. Longworth believes it will go over until next session.

PERIL TO U.S. IN STRIKE AT COPPER MINES

Workers Interfering With Defense Preparations, Says Secretary of Labor Wilson.

LANSING, Mich., July 31.—It should be pointed out to the miners that this is not a movement to improve their conditions, but wholly intended to coerce the United States Government by interfering with the preparations for defense."

This statement in part was contained in a telegram received at Gov. Sleeper's office this morning from Secretary of Labor Wilson at Washington. It refers to the copper strike at Bessemer. "May I not urge you to use your influence to see that the mine operators do not arrange the wage and conditions of employment that there will be no basis for agitation?" the telegram added.
